

If Youse a Viper

G E7 A7 D7
Dream about a reefer, five foot long,
G E7 A7 D7
A little bit high, but not too strong.
G G7 C7 C#7 G
You'll be high, but not for long,
 D7 G
If you're a viper.

Now I'm the King of everything,
But I've got to be high before I can sing.
Light that Tea, let it be,
If you're a Viper.

C
When you're throat gets dry, you know you're high,
G
Everything is dandy.
A7
Just truck on down to the candy store,
D7
Bust you're mouth on a peppermint candy.

Now you know, your body is sent,
And you don't give a darn if you don't pay rent,
The sky is high, and everybody's high,
If you're a Viper.
