

Life is Hard

Life is hard, but life is hardest when you're dumb.

No Joie de vivre, just a life of tedium

With a negative IQ, you'll be lonely sad and blue,

Life is hard, but life is hardest when you're dumb.

You wait for years, but inspiration never comes.....

If being stupid is your fate, just sit back, cause it's too late.

Between your ears is just a silent vacuum

If there's a void behind your face, why not rent out the empty space....

Life is hard , but life is hardest when you're dumb.
