

Titanic

Oh they built the ship Titanic, and said when it was through

That is was a ship that water would ne'er come through

But the Lord he took his hand , and He said "It shall not stand"

It was sad when that great ship went down.

It was sad (it was sad) So sad (so sad)

It was sad when that great ship went down..

Hit the bottom of the sea.....

Husbands and wives, even children lost their lives

It was sad when that great ship went down.

They sailed away from England, they had hardly left the shore,

When the rich refused to associate with the poor.

They put them down below so they'd be the first to go

It was sad...

The ship began to roll, with the sides about to burst,

When the Captain shouted "Rich women and children first"

They tried to call by wire, but the lines were all on fire,

It was sad....

The ship began to roll and it sank into the sea,

And the band struck up with "Nearer my God to thee"

All the lifeboats they were lowered, but all could not get aboard,

It was sad.....
