Lyric by Claire Zucker

The swallows they fly from you to me
The sun, it shines here and there
This year has given us time to breathe
Now is the time to share

*Flying to me
I can feel you so near
Flying to me
can you, feel us, swirling closer every day...*

The fiddle, it plays so sweet and so low
Guitar offers shade and rest
The morning finds tunes that ebb and flow
joyful notes softly pressed

Oh come to my arms and dance with me
laugh in this evening's light
The guitar and the fiddle make love, and we
Dance away to the night
