

Frederick's of Galilee by Jon Campbell

G-----C---G-----C---G--C---G---D
I was on the dock the other night, when eve-ry-thing was still;
-G-----C-----G-D-G-D7
I saw all those Point Judith girls, they were dressed up fit to kill;
G-----C-----G-----C--G--C--G-D7
They wore Helly Hansen ca-mi-soles, and oil-skin lin-ge-rie,
-----G-----C-----G--D7-----G
For ol' Frederick's of Ga-li-lee had dressed 'em up that day.

Well, I loves a girl in waders, and an old Bikini top,
But lately I've been wondering just where this all will stop;
For them girls down at the Co-op, they's just puttin' on the dog,
Since ol' Frederick's of Galilee sent out his catalog.

G-----D-----G-----D7-G
And he sells a tiny vinyl teddy she can wear out on a date,
-----A-----D-----E-----D
And if things don't work out, she can wear it stringin' bait;
-----G-----C---G-C---G---D7
He's got ap-proprate apparel, weather calm and wea-ther rough,
-----G-----C--G-----C---G--D7-----G
And if it's naughty and it's nautical, ol' Fred-dy's got the stuff.

And I'll admit that fishnet stockings, they makes a lot of sense I guess,
And as long as they've been shook out good, well they don't leave too much mess,
And if your sweetie's worried if the seam is straight behind,
Well, here's your chance to show her how you're pretty good with twine.

So get her the Spandex down-filled body suit, where the fasteners don't rust,
And it's sure to keep her warm at night, if the industry goes bust;
Then get her the slinky gill-net wrap-a-round, with the floats to match her eyes,
It goes good with fur-trimmed hip boots with the flares around the thighs.

*And he sell's a full-uplift floatation vest in a lacy pastel hue,
And he sells a peek-a-boo survival suit that will always see her through;
So get her the polypropylene garter belt, or PVC chemise,
For ol' Frederick has put the sleaze back on the Seven Seas.*

*And I've got a secret for Victoria, she's really missed the boat.
Old Frederick's of Galilee, is now keepin' 'em afloat.
So when it comes to underwire underwater underwear,
Just send a check to Frederick, and get that girl a pair!*
